Re: Freedom of Information Act Request

Dear Attorney Dean:

In response to your Freedom of Information Act request, I would note that there have been no communication from either myself or my office to the General Court regarding Senate Bill 88 for the year 2011. A letter was sent to State Senator Bragdon on behalf of the New Hampshire County Attorneys Association. I believe you have received a copy of that letter.

I, along with other members of law enforcement, met with Senator Forrester the day before the vote on SB 88. Later that day, she asked me about other state's laws. I forwarded her the attached e-mail, but did not have the opportunity to speak with her after sending the e-mail.

If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

Lara Saffo

Hi Jeanne - the states I have found to date have statutes that are drafted differently, making the comparison a little hard. Please call when you have a chance. Thanks,

Respectfully,
