

**Helium Balloon in Lancaster - North Road – August 1, 2011**  
**The Orange Balloon Represents the 135' height of the proposed Northern Pass towers.**

135 ' high the balloon towers over the houses looking over the valley. Note the existing shorter power line.

Opposition in Lancaster.  
[www.livefreeorfry.org](http://www.livefreeorfry.org) banner on the barn in the house next door. Working together we CAN win!

With the existing ROW less than 150 ' away, this house will probably need to be condemned.
